For a full table of contents [click here](#)

Over the 3 days over 120 oral presentations along with 70 posters were presented by representatives of organisations in 33 countries. This was one of the largest technical programmes in the conference's 36 year history.

The full proceedings are available in USB format and can be purchased for £40 p+p.

Human Behaviour in Fire 385 papers CD Compendium

VAST KNOWLEDGE BASE PUBLISHED -
[link to table of contents](#)

To aid study and information dissemination, a vast CD compendium has just been published and contains more than **385 academic and industry paper** on the subject. This is probably the most comprehensive set of papers on Human behaviour in fire ever compiled from papers presented at all five Human Behaviour in Fire Symposia (1998 – 2012) and relevant sessions from Interflam since 1999.

Edited by Karen Boyce, University of Ulster
Published by Interscience Communications Ltd

Available in CD format for £65 p+p
